

# JUNCTUREX®

- JUNCTUREX is a food supplement of Glucosamine, Methyl sulfonyl methane (MSM), and Chondroitin sulfate, with vegetal extracts of Harpagophytum (Devil's Claw) and Boswellia serrata (Indian frankincense).
- It is suggested in case of poor dietary intake or increased nutritional needs of those ingredients.
- Harpagophytum and Boswellia serrata extracts promote joint functionality.
- Vitamin D contributes to the normal absorption and utilization of calcium and phosphorus and the maintenance of healthy bones.

## EFFECTIVE FOOD SUPPLEMENT JUNCTUREX

Glucosamine and chondroitin sulfate are components of normal cartilage. In the body, they are the building blocks for cartilage and appear to stimulate the body to make more cartilage.
